Official statement

We are living an unprecedented situation that is completely new for us . We are aware of the negative consequences that it can cause to all of us, but it is **time to be responsible** and put ourselves on the side of coherence.

From March 14 to 9 April.
Camping are close.

What about my reservation?

Due to the exceptional situation, if you have an active reservation with us, from March 14 to April 9, or until the end of Alarm stat,. you can make a totally free cancellation, or postpone it until normality is restored.

We deeply appreciate your understanding. We are sorry about the inconvenience and we believe that with the collaboration and the responsibility of us all, we will be able to get out of this situation very soon.

Dates may change according to state regulations

Stay safe
